

UK Motorcycle Theory Test Practice Test Questions and Answers

1. Green studs on a motorway mark:

- A) Emergency refuge areas
- B) The edges of slip roads and lay-bys — separating the main carriageway from entry/exit points
- C) The centre of the road
- D) Hazardous spillage areas

2. Can a motorcycle use a bus lane in the UK?

- A) Never — bus lanes are only for buses
- B) It depends on the local authority — check the signs as some bus lanes permit motorcycles and some do not
- C) Always — motorcycles can use any bus lane
- D) Only electric motorcycles can use bus lanes

3. Engine braking is used on a motorcycle by:

- A) Applying the front brake gently before downshifting
- B) Closing the throttle and progressively downshifting through the gears — the engine's compression resistance slows the bike without using service brakes
- C) Selecting neutral and coasting to a halt
- D) Using the rear brake alone to slow progressively

4. What is 'counter-steering' on a motorcycle?

- A) Steering in the opposite direction to where you want to go initially to lean the bike into a turn at speed
- B) Steering while riding backwards
- C) Using the rear brake to steer
- D) Letting go of the handlebars to steer with body weight

Answers: 1-B 2-B 3-B 4-A
